SPECIAL TOWN MEETING ROXBURY, N.H.

May 9, 1963

Meeting called to order by Moderator Edwin B. Ellis at 7:30 p.m.

Selectmen Edward Russell, Norman Duplissie and John Summers were present.

A letter from the Supervisors of the Checklist was introduced and read as follows:

To Whom It May Concern!

From Mrs. Flora M. Marston, Chairman, Supervisors of the Checklist, Town of Roxbury, N. H. relating to conversation with Mr. Stark, Secretary of State, via telephone, Monday, May 6, 1963 at 9:35 a.m.

This meeting is called by me and my supervisors as incorrect and improper for the following reasons.

1. Checklist Supervisors were not notified in proper time—or at all—to post a checklist thirty days prior to Special Town Meeting.

2. Checklist Supervisors were not notified in time to post two open corrective sessions before meeting, therefore were not able to have article published, as required by law, notifying residents of the opportunity to become members of the checklist.

3. There is no Checklist available for said Town Meeting, as last checklist required to be filed with the Town Clerk is dated March 11, 1963. (The Checklist posted on April 18, 1963 is on file and on record as posted for the Regional School District Board Meeting and has nothing to do with this meeting and does not require filing with the Town Clerk, but the School Board Clerk.)

4. Correctly dated and corrected Checklist is required at this meeting because the Warrant for this meeting calls for the “election” of a public official, namely, “Overseer of the Poor.”

MRS. FLORA M. MARSTON,
MRS. GLADYS BLANCHARD,

Supervisors of Checklist
Town of Roxbury, N. H.

Moderator is on record as agreeing with this letter.
Meeting was alleged illegal and dissolved at 8:02 p.m.

Respectfully Submitted,
MRS. ELIZABETH M. RANDALL,
Town Clerk

Report of the Forest Fire Warden and Your District Chief

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and relinquishing of personal rights for the common good. It was the greatest demonstration of public co-operation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.
